CUT-OUT FLASHCARDS · 128 CARDS

Cut-out civics flashcards — all 128 questions

Six cards to a page, question on the front and the answers on the back of the same card. Print double-sided flipping on the long edge, cut along the lines, and you have the whole bank in your pocket.

How to print: Print double-sided, flipping on the LONG edge (the normal book-style setting — the pages turn sideways, not like a calendar), then cut along the lines. That is what puts each answer on the back of its own question. This cover and the blank page after it are what keep the questions landing on the front.

About nine answers change with elections — the President, the Vice President, the Speaker of the House, your governor, your senators. USCIS expects whoever holds the office on the day of your interview. Check the dated answers at practicecitizentest.com/answer-updates before you go.

Printed from practicecitizentest.com · generated October 11, 2026. Practice the whole bank, track what you miss, and get a test that mirrors the interview at practicecitizentest.com.
