CUT-OUT FLASHCARDS · 20 CARDS

Cut-out flashcards — the 65/20 short list

The same cut-out cards, limited to the 20 marked questions. Print double-sided flipping on the long edge, then cut along the lines.

How to print: Print double-sided, flipping on the LONG edge (the normal book-style setting — the pages turn sideways, not like a calendar), then cut along the lines. That is what puts each answer on the back of its own question. This cover and the blank page after it are what keep the questions landing on the front.

About nine answers change with elections — the President, the Vice President, the Speaker of the House, your governor, your senators. USCIS expects whoever holds the office on the day of your interview. Check the dated answers at practicecitizentest.com/answer-updates before you go.
